## H+M INDUSTRIAL EPC NAMED A HOUSTON CHRONICLE TOP WORKPLACE FOR 2018

**Pasadena, TX:** H+M Industrial EPC is proud to announce that they have been named a Houston Chronicle Top Workplace for 2018.

More than 120 H+M employees participated in the survey administered by Energage, formerly WorkPlaceDynamics, LLC that measured workplace alignment, execution, and connection.

H+M President, Brandon Hogan, stated to employees that “I’m honored, especially because the judges were you, real H+M employees.”

The entire list of 2018 Top Workplaces was published in the Nov. 4 edition of the Houston Chronicle and is available online at <https://www.chron.com/business/top-workplaces>.

**About H+M Industrial EPC:** H+M Industrial EPC has been providing project services to various industries along the Texas Gulf Coast for 30 years. The H+M vision is to be the preferred partner for EPC projects in the oil, gas and chemicals industry, providing trust, expertise, and efficiency. Uniquely, the company’s engineering design, procurement, and construction services are all in-house which bolsters a unified approach that results in better deliverables for customers. <http://hm-ec.com/>
